

TOP FIVE REASONS YOU SHOULD APPLY TO CNA'S ACTUARIAL DEVELOPMENT PROGRAM

- 1. You will take part in a best-in-class program that fosters actuarial excellence.** To prepare you for an engaging and rewarding career in the actuarial field, you will receive prioritized study time, exam raises and bonuses, and access to in-house study groups.
- 2. You will be introduced to an array of career opportunities.** To help you develop your skills and become a broad-based insurance professional, you will receive challenging, innovative assignments that offer real-world experience in applying actuarial principles.
- 3. You will cultivate strong professional relationships.** To give you the support you need to develop professionally, you will take part in a variety of networking events, and receive formal and informal mentoring from former program participants, peers and fellows.
- 4. You will gain exposure to a diverse portfolio.** You will have opportunities to work across a variety of business areas, including Commercial & Specialty Pricing, Reserving, Predictive Analytics, Life & Health and Enterprise Risk Management.
- 5. You will join a company with a trusted name that's backed by financial strength.** For more than 100 years, CNA has worked hard to earn a reputation for being a carrier that inspires trust. We take pride in our ability to offer innovative products and services that meet the evolving needs of our customers and business partners alike.
