

# 2022 Tibor Radó Lectures

March 22–24, 2022

.....  
**Richard Schoen**

University of California – Irvine

**The Einstein equations  
and a Nobel prize  
winning theorem**

Tuesday, March 22, 2022

4:15 p.m.

McPherson Lab 1015

.....

**Geometric restrictions  
imposed on spacetime by  
the Einstein equations**

Wednesday, March 23, 2022

4:15 p.m.

Journalism Building 0360

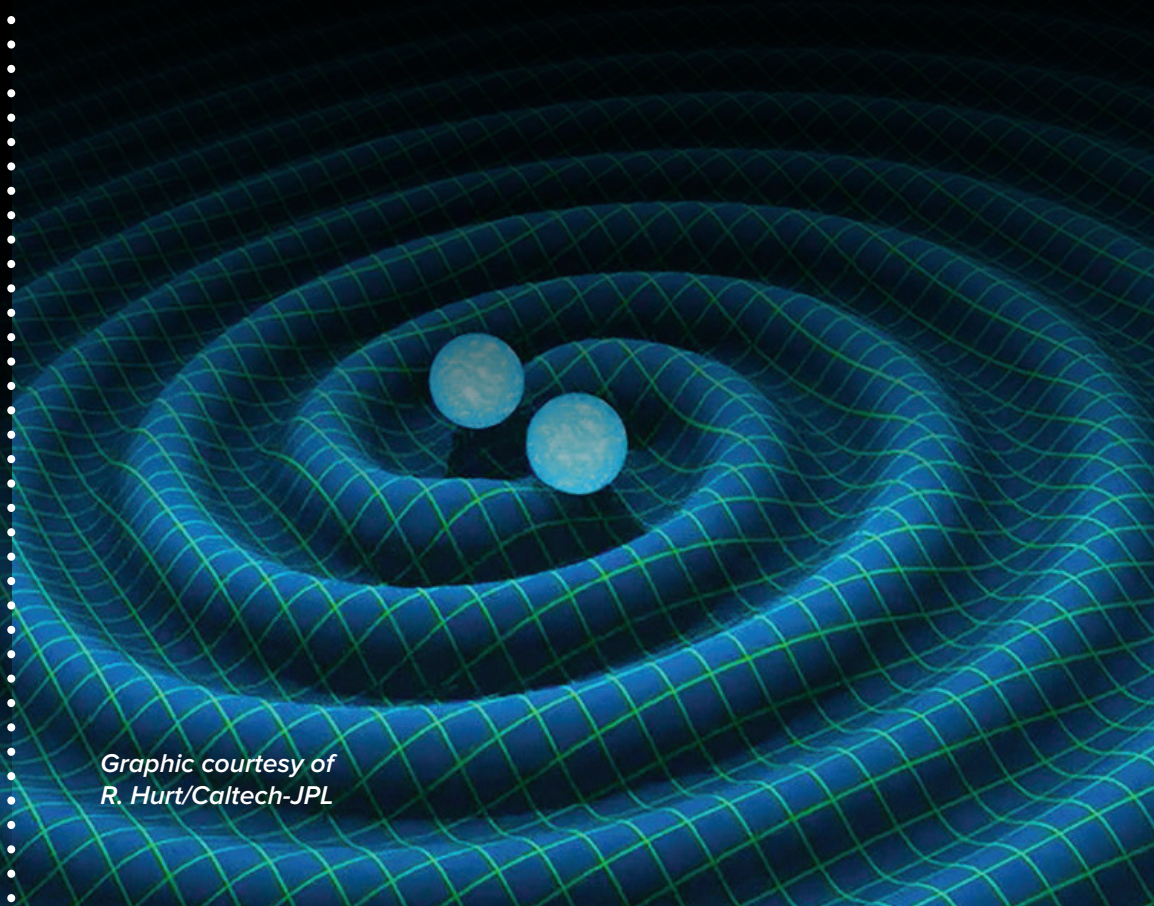

.....

**Higher dimensional  
issues arising in  
gravitational theory**

Thursday, March 24, 2022

4:15 p.m.

Baker Systems Engineering 0144
