

Actuarial Development Program

# Build a career without compromise

## You're not just looking for a job.

We hear you. That's why working here isn't just about skill sets and job responsibilities. We care about offering you diverse experiences, rewarding challenges and global opportunities that push you to reach for bigger life goals.

A welcoming, collaborative and community-spirited environment doesn't have to be a "nice to have." Here, it's what you can look forward to every day.

## Why this is the place to start your actuarial career

- Executive Development Program with a long history of actuaries in leadership positions
- Competitive salary and benefit package
  - Annual merit reviews and bonus program
- Excellent study program with industry-leading pass rates
  - Paid study time, study facilities and exam materials provided
  - Competitive exam raises
- Exposure to a broad range of fields through our rotation program
  - Three rotations, each about 18-24 months long
- Networking opportunities with senior actuarial management
- Mentors who provide guidance and support
- Relocation reimbursement provided
- Meaningful and challenging work

## Wait – there's more...

- Flexible work schedules
- Fitness centers and annual health screenings
- Pharmacy on-site
- Child Development Center
- Paid volunteer time off
- Cafeteria
- Discounts at local businesses
- Free parking and public transportation
- Education/tuition reimbursement
- Personal finance classes

Not only does the Principal offer a great student program to help you through exams, I found it to be amazingly flexible as well. It makes it much easier to balance work, exam studying, and any other personal commitments.

— Nathan, current member of the Actuarial Student Program

## Actuarial assistant requirements

- Ability to pass actuarial exams and a commitment to pursue an FSA with the Society of Actuaries
- Knowledge of actuarial mathematics, including probability, statistics, numerical analysis and compound interest
- Effective communication skills and an eagerness to develop leadership talents
- Completion of one or more courses in the education system of the Society of Actuaries
- Completion of an actuarial science internship (preferred)

## Some awards we've won

- One of 100 companies named one of the **World's Most Ethical Companies** by the Ethisphere Institute. (March 2017)
- Recognized by Forbes as **one of America's Best Employers**. (May 2017)
