- Small group meetings with Senior Actuarial Leadership
- Social and networking events throughout the company
- Competitive pay
- Top 10 Best city to live and work, *Robert Half's Career City Index*, 2016

Wait – there's more...

- Flexible work schedules
- Furnished housing, free parking and public transportation
- Paid time off on exam days
- Fitness centers
- Cafeteria
- Volunteer opportunities
- #1 best place for millennials to live in the Midwest, *Growella*, 2017

Principal’s actuarial intern program has been an invaluable step for my personal development and professional career. I was given the opportunity to enhance my technical skills, create truly valuable work, and meet with top executives across the company. Des Moines exposed me to a local and professional community second to none, embracing an open-door policy which differentiated its culture from larger cities out East.”

— Jarryd, actuarial intern

Internship requirements

- Ability to pass actuarial exams and a commitment to pursue an FSA with the Society of Actuaries
- Knowledge of actuarial mathematics, including probability, statistics, numerical analysis and compound interest
- Effective communication skills and an eagerness to develop leadership talents
