FINANCIAL SERVICES ACTUARIAL INTERNSHIP PROGRAM

# BE SOMETHING GREAT AS AN ACTUARIAL INTERN

As a Financial Services Actuarial Intern, expect an exciting, challenging experience where you learn something new every day. Expect to be developed by a group of associates who combine support with a strong work ethic. Expect an experience that will kickstart your career in the actuarial field.

## A program for your success.

The Nationwide® Financial Services Actuarial Intern Program is a 12-week summer internship in Columbus, Ohio that provides participants with opportunities to gain valuable experience in the actuarial field. You'll receive the chance to work in and learn about actuarial pricing, product development, valuation and financial reporting in the areas of life insurance, annuities and retirement plans.

## Your benefits.

- **Learning opportunities.** In addition to working on an actuarial team, you'll have the opportunity to learn about the roles and responsibilities of all Nationwide actuarial teams through networking and a summer presentation series.
- **Developmental training.** You'll receive extensive training in actuarial concepts, actuarial software and in the products we sell.
- **Social events.** You'll have the opportunity to attend networking events with your actuarial colleagues, with associates across the company and with your fellow summer interns.
- **Exam reimbursement.** We will reimburse the cost of one preliminary exam that occurs after your internship start date and before the end of the calendar year.
- **Community service.** Your development includes the opportunity to make a difference in the lives of others by participating in volunteer efforts.
- **Opportunities for full-time hire.** Interns are strongly considered for future full-time positions.

## We're looking for our future leaders.

And we mean it. If you're passionate about becoming an actuary and believe you have the potential to be something great, let's talk.
