### Notes:

1. MyMathLab access is limited to a single user account. MyMathLab access may be used for multiple semesters if you are repeating a course or taking a course at the same course level. Courses at the next level will require a new MyMathLab purchase.  
Calc 1 = 1151 or 1161, Calc 2 = 1152 or 1172, Calc 3 = 2153, 2162, or 2173
2. **MyMathLab access codes purchased in any other way will not work at OSU.**
3. We do not recommend purchasing a used 1<sup>st</sup> edition or a non-OSU custom edition. There are significant changes to the text.
4. OSU Calculus courses not listed above use other textbooks.
5. eBook means electronic, online textbook inside MyMathLab
6. If you are repeating a course from Summer 2015 or earlier, please email [mymathlab@math.osu.edu](mailto:mymathlab@math.osu.edu) to find out your access code options. If you are repeating Math 1152, please email [mymathlab@math.osu.edu](mailto:mymathlab@math.osu.edu) to find out your access code options.
