

## MATHEMATICS PLACEMENT GUIDE

This chart represents the general guidelines for math placements and exhibits the highest course in which students may enroll. Students should consult with their advisor at orientation to select the most appropriate course.

| <b>Math Course Code</b> | <b>Math Course Level</b>    | <b>Natural Sciences, Computer Sci., ENG, Pharm, Math, PreMed., SBS &amp; ASC-B.S.</b> | <b>Business Majors</b> | <b>NUR, Social Sci, Humanities, ASC-B.A. Majors</b> | <b>Education and Human Ecology (most Majors)</b> | <b>Agriculture</b> |
|-------------------------|-----------------------------|---|------------------------|---|--|--------------------|
| <b>L</b>                | <b>Calculus</b>             | 1151, 1156  | 1151 or 1131           | 1116, 1150, 1151, or See College advisor            | 1151 or 1165 <sup>a</sup>                        | 1131, 1150 or 1151 |
| <b>M</b>                | <b>Pre-calculus</b>         | 1150  | 1150 or 1130           | 1116 or 1150  | 1130, 1148, 1150                                 | 1150               |
| <b>N</b>                | <b>College Algebra</b>      | 1148  | 1130                   | 1116 or 1130 or 1148                                | 1125, 1130 or 1148                               | 1130 or 1148       |
| <b>R**</b>              | <b>Intermediate Algebra</b> | 1075  | 1075                   | 1075, 1116  | 1075, 1125                                       | 1075               |
| <b>S**</b>              | <b>Elementary Algebra</b>   | 1050, or 1075   | 1050, or 1075          | 1050, 1060 <sup>b</sup> or 1075                     | 1050, or 1075                                    | 1050, or 1075      |
| <b>T**</b>              | <b>Elementary Algebra</b>   | 1050  | 1050                   | 1050  | 1050   | 1050               |
| <b>U</b>                | <b>Undetermined Level</b>   | Must retake the math placement test on campus, preferably at Orientation.             |                        |   |  |                    |

(a) For Middle Childhood math concentration students only. (b) Regional campus course.

**\*\*Please note: if you earned an ACT Mathematics score of a 22 or higher; an SAT score of a 520 or higher; 69CLM (College Level Math) on the College Board's Accuplacer tests; 50% on the MapleSoft T.A. ; 46 on ALEKS for Math; 18 on PlaceU (WebAssign) for Math, by State of Ohio Law you are not required to take remedial math (1050 and/or 1075) regardless of your score on the Mathematics Skills Assessment. A written waiver and adviser permission is required. However, you are strongly encouraged to take the math course you tested into, especially if you are going to continue taking a sequence of math courses.**
