

THE OHIO STATE UNIVERSITY

DEPARTMENT OF MATHEMATICS

2013 Tibor Radó Lectures

The Search for Order in Disordered Systems

Thomas Spencer, Institute for Advanced Study

Randomness in Classical and Quantum Dynamics

Monday, October 28, 2013, 4:30 pm

0014 University Hall

Duality and Symmetry in Statistical Mechanics and Random Matrices

Tuesday, October 29, 2013, 4:30 pm

Cockins Hall 240

Duality and Supersymmetry in Statistical Mechanics and Random Matrices

Wednesday, October 30, 2013, 4:30 pm

Cockins Hall 240

Refreshments will be provided each day at 3:30 pm in
724 Math Tower.
