

Enhanced WebAssign Ohio State University Fall 2015

1. Login to your WebAssign account here: <https://www.webassign.net/osu/login.html>

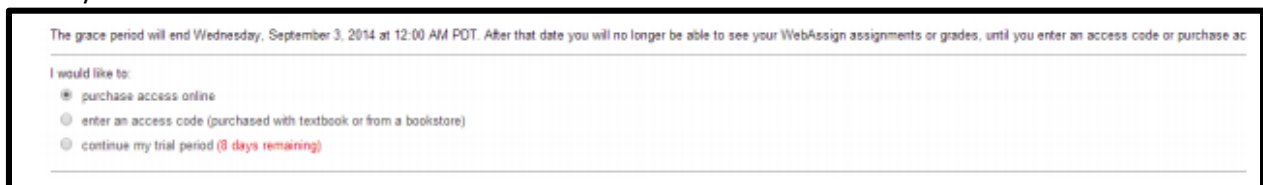

The screenshot shows the WebAssign login page for Ohio State University. At the top, there is a navigation bar with the WebAssign logo, links for 'Instructor Sign Up', 'Contact Us', 'ENTER CLASS KEY', and 'LOG IN'. Below this is a secondary navigation bar with 'CATALOG', 'INSTRUCTORS', 'STUDENTS', and 'SUPPORT', each with a dropdown arrow. A search bar is located to the right of these links. The main heading is 'WebAssign @ Ohio State University Login'. Below the heading, a message states: 'If you are not affiliated with Ohio State University, [click here](#) to go to the main WebAssign login page.' There are two buttons: 'LOG IN @ OHIO STATE UNIVERSITY' and 'Trouble Logging In?'. A tip at the bottom says: 'Tip: bookmark this page for quick access to WebAssign.'

2. Enter your OSU login credentials.

The screenshot shows the 'Login Required' page on the OSU.EDU website. The page has a dark header with the OSU.EDU logo and navigation links: 'Help', 'BuckeyeLink', 'Map', 'Find People', 'Webmail', and 'Search Ohio State'. The main heading is 'Login Required'. Below the heading, a message states: 'A login is required to access the requested service.' There are two input fields: 'Ohio State Username' with the value 'huges.3' and 'Password or Passcode' with a masked password. Below the password field, a note says: 'BuckeyePass users, enter your Passcode.' A red 'Login' button is positioned below the input fields. To the right of the login form, there is a section titled 'Need Help?' with links for 'Forgot your username?', 'Reset your password?', and 'Need to activate your Ohio State Username?'. Below this, there is a section titled 'Other questions?' with links for 'About Ohio State Usernames' and 'About OSU Web Login'. At the bottom left, there is a blue button labeled 'IMPORTANT LOGIN INFORMATION'.

3. After logging in, you will be automatically directed to your course.
4. You will be prompted to enter the access code you purchased at the bookstore with your book or directly online.

The screenshot shows a screen with a message at the top: 'The grace period will end Wednesday, September 3, 2014 at 12:00 AM PDT. After that date you will no longer be able to see your WebAssign assignments or grades, until you enter an access code or purchase access code.' Below the message, there is a section titled 'I would like to:' with three radio button options: 'purchase access online' (selected), 'enter an access code (purchased with textbook or from a bookstore)', and 'continue my trial period (8 days remaining)'.

Navigating Enhanced WebAssign

Your Home Page

The screenshot shows the WebAssign home page with several sections. A red box highlights the 'Current Assignments (1)' section, with a red arrow pointing to the assignment 'Getting Started with WebAssign - PreCalculus' and a callout box saying 'Access assignments here'. Another red box highlights the 'Personal Study Plan - Stewart :: Precalculus - 6e' section, with a red arrow pointing to the 'Overview' tab and a callout box saying 'The Personal Study plan is a self-study tool that allows you to test your skills by chapter. You will be directed to additional study tools to help strengthen your skills in a given area.' A third red box highlights the 'Class Insights' section, with a red arrow pointing to the 'View My Class Insights' button and a callout box saying 'Class Insights identifies the topics you need to study and the topics where your performance is strong. This tool enables you to focus your study time more effectively.' A fourth red box highlights the 'About this Class' section, with a red arrow pointing to the 'Precalculus: Mathematics for Calculus - 6e' book cover and a callout box saying 'eBook access here'.

Extension Requests

Print Assignment

Question	1	2	Total
Points	-3	-4	-7 (0.0%)

Assignment Submission

For this assignment, you submit answers by question parts. The number of submissions remaining for each question part only changes if you submit or change the answer.

Assignment Scoring

Your last submission is used for your score.

1. -3 points SPreCalc6 3.2.001.

My Notes Ask Your Teacher

Only one of the following graphs could be the graph of a polynomial function. Which one? Why are the others not graphs of polynomials? (Select all that apply.)

Access additional help resources using the buttons at the bottom of the question.

Need Help?

calcPad

The CalcPad will open for assistance.

-2 points SPreCalc6 1.034.

My Notes Ask Your Teacher

A truck with 54-in.-diameter wheels is traveling at 45 mi/h.

(a) Find the angular speed of the wheels in rad/min.

rad/min

(b) How many revolutions per minute do the wheels make?

rev/min

Need Help?

You can submit a question at a time, save your progress, or practice another version of the question.

At the bottom of the page, you can submit the assignment for grading or Save Assignment Progress to be able to return to it later.
